# Galatea

*"Here is a 2-sentence pitch:*

*Galatea's success in delivering a seamless B2B and B2C experience with huge catalogs demonstrates how Intershop can help you overcome the challenge of digital wholesale, enabling your customers to navigate and purchase from extensive product offerings with ease. By adopting best practices in digital wholesale like Galatea, you too can provide a unified customer experience across channels, drive growth, and establish a strong foundation for international expansion."*
